

2024-25 DONOR HONOR ROLL

Key: This honor roll lists all philanthropic commitments made to the School between July 1, 2024 and June 30, 2025. We also wish to thank those who have given before and after these dates. Donors' academic degrees (at the Master's level and above) are noted as recorded in the UCLA External Affairs database. Donors' UCLA School of Dentistry degrees (DDS, MS in oral biology, PhD in oral biology, and certificates) are recognized by the inclusion of the class year in which they were conferred. The Office of Development and Alumni Relations makes every effort to ensure the accuracy of this report. If you note an error or omission, please accept our sincere apologies and notify us by writing to mdjenkins@dentistry.ucla.edu.
